- Oct 4-6 - Garden Clean Up, Final Seed Saving, Roast something over the fire!

*The above listed dates and projects are to the best of our knowledge depending on rate of growth, weather and simple what needs to get done! Please dress to work, no flip flops, proper garden foot wear, hats, sun protection, gloves, water container, snacks, and a good lunch. Theresa Solak, a staff member, will run the projects on all the above listed dates and Dr. Baker will join projects when she is not working in town. All volunteers should email to confirm their attendance in case there is a change in plans by the Ranch. All emails are checked 3x a week, not daily, so plan head and communicate your intentions as early as you can for best experience. symbiosisranch@gmail.com*
