

# Alumni/Guest Individual Class Registration Form

At the Naturopathic Institute, we welcome guest students to follow their passion for learning about natural health, and alumni seeking CEUs and refresher courses. Alumni and guest students can take as many classes as they wish if they follow the guidelines regarding class sequencing and prerequisites. For example: a student will need to have completed Homeopathy I before taking Homeopathy II; or, Herbology and Muscle Response Testing class needs to be completed before taking any other Herbology classes. In cooperation with the Embassy of Life Mastery, the Naturopathic Institute is also able to offer one-day seminars. This form is for non-academic, personal enrichment course registration only.
